

Assignment 6.5

Arthur Hay

Kishlev and Nisan are 4 months apart and both were in the 20th year so maybe the new year in the Persian calendar was a different date. Nisan in the NKJV is in Nehemiah 2:1, not verse 17.

2. Susa is east of the Euphrates River in the foot hills of the Zagros Mountains in present day Iran.

3. Persian Empire.

4 & 5. Mordecai and Esther, both before.

6. Artaxerxes ruled over Persia.

7. More like a personal advisor and confidante than a butler.
